# Notes

\* Meets indicated thus are eligible for subsidy at the nominated accommodation only.

From January we are hoping to have regular mid week climbing wall meets at either Kendal or Ambleside. These meets will be arranged informally on our Facebook page, please post if you are going to the wall so others in the club can share lifts.

Please note that we endeavour to arrange club meets in areas where there are opportunities for all types and levels of outdoor enjoyment from low level strolls to high mountaineering, climbing, biking skiing etc. Please come along to a meet and enjoy your chosen activity in the company of other club members and possibly enjoy a social drink or meal with them afterwards.

Important, if you are intending to join a meet please always notify the Meet Coordinator so that he/she is aware of who is coming (day meets) or to book any accommodation.
